- U.L. and ETL listed.
- Heavy-duty robust construction meant for years of continuous use.
- Factory training available with ICAR Gold Class Points through the ICAR Training Alliance.
- ASE/CASE certified training department.

CR500DA (with accessories)

## Models:

[200-139-050-0323](tel:200-139-050-0323) CR500DA 230 volt Spot Welder (air cooled)

[200-139-050-0326](tel:200-139-050-0326) CR500DA 460 volt Spot Welder (air cooled)

[200-139-050-0333](tel:200-139-050-0333) CR510 230 volt Spot Welder (water cooled)

[200-139-050-0336](tel:200-139-050-0336) CR510 460 volt Spot Welder (water cooled)

## Includes:

- Multifunction gun.
- Electrode assortment.
- 80 mm and 330 mm yokes.
- Dent puller.

## Options:

[200-139-020-1204](tel:200-139-020-1204) Tool Panel.

[200-139-021-0300](tel:200-139-021-0300) Cable Support.

[200-139-402-5311](tel:200-139-402-5311) 600 mm Yoke.

[200-139-402-5310](tel:200-139-402-5310) Fender Edge Kit.

[200-139-400-1040](tel:200-139-400-1040) Electrode Dresser.

[200-139-402-8300](tel:200-139-402-8300) A-Tong Adaptor (CR500DA Only).
